1. Be on time. If you are more than 10 minutes late, your session slot will reopen to allow someone else in at that time.
2. You must use your CCS student email to join.
3. If for some reason you can't attend, please email both your facilitator and student tutor at least 24 hours before the meeting.
4. Make sure to ask your tutor for a form to schedule your next meeting!
5. If you have any questions, please contact your school Counselor, AIG Coordinator, or Gradpoint Facilitator.
