

Peer 2 Peer Tutoring

Are you facing challenges with core subjects? Then P2P is where you want to be!

Join us every Tuesday and/or Thursday!

Session 1: Tuesday, 11:00 am-11:45 am

Session 2: Thursday, 2:30 pm-3:15 pm

- This is a free program with highly experienced student tutors.
- While we are engaged in remote learning, we will be offering two sessions of peer-tutoring per week in Math, Science, and English.
- Each session will be hosted by a supervising staff member and tutors utilizing Webex breakout rooms.
- Please keep in mind that this is a strictly voluntary program where students choose to get academic assistance from their peers.
- No private tutors or one-on-one arrangements are available through this program.
- Sign up each week by Friday at 12:00 pm, you will be assigned to a tutor for the following week (Tues 11:00 - 11:45 /Thurs 2:30-3:15)

Here is how P2P works:

1. Register in advance for each meeting by filling out this google [form](#).
2. Choose your session(s).
3. A facilitator will contact you to allow you into the tutoring session at your selected time.
4. After your meeting with your tutor, you can reschedule another session with them if needed, via a form they will provide you.
5. Click [here](#) for a step by step process.
